The Kentucky Arts Council presents **Artwork Purchase Award** for artists with disabilities Deadline: Friday, Feb. 14, 2014

What is a purchase award?

One piece of artwork by an artist with a disability will be chosen by a jury of arts professionals for purchase as part of the arts council's collection. The award is equal to the fair purchase price - up to \$1000 - of the artwork.

Who should submit entries?

Artists with disabilities, age 18 and older, living in Kentucky, are welcome to submit up to two entries of two-dimensional artwork each. Being a person with a disability does not need to be central to the artist's identity to participate. The arts council is looking for diverse examples of two-dimensional media.

How will the artwork be used?

The chosen piece of artwork will be professionally photographed and used - with credit to the artist - in publications, web pages, etc., in which the Kentucky Arts Council is promoting accessibility programs and services.
