

# **Don't Forget Your Safety Net!**

**NAMI Lexington Supports Efforts to Modify the Pending Medicaid Managed Care Proposal to Allow a Carve Out of Mental Health Funding and to Assure Community Based, Non Profit, Charity Care Providers are NOT LEFT VULNERABLE**

**Community Mental Health Must be Safeguarded in any Managed Care Model**

**Kentucky's System of Care Supports our Most Vulnerable Citizens – Medicaid Recipients and Many More**

**Managed Care Without Protection of NonProfit Systems Risks Care Dollars Shifted to Profits, Specialized Mental Health Dollars Shifted to Primary Care, and Ultimately, Quality Access in Small Communities is Lost**

**Don't Allow One Financial Model to Drive Services Exclusively – Consider the Impact to Consumers and Families if 40 Years of Integrated Community Services are Diminished**

**If the Charity Care Providers are Out of Business – Kentucky Loses its Safety Net!**

***I AM A NAMI SUPPORTER AND THANK YOU FOR HEARING OUR CONCERNS***
