Mental Health First Aid USA is coordinated by the National Council for Community Behavioral Healthcare, the Maryland Department of Health and Mental Hygiene, and the Missouri Department of Mental Health.

MENTAL  
HEALTH  
FIRST AID

Sometimes, first aid isn't  
a **bandage**,  
or **CPR**,  
or the **Heimlich**,  
or calling **911**.

Sometimes, first aid is **YOU!**

Someone you know could be experiencing  
a mental illness or crisis. You can help them.

You are more likely to encounter someone — friend, family member, coworker, neighbor, or member of the community — in an emotional or mental crisis than someone having a heart attack. Mental Health First Aid teaches a 5-step action plan to offer initial help to people with the signs and symptoms of a mental illness or in a crisis, and connect them with the appropriate professional, peer, social, or self help care. Anyone can take the 8-hour Mental Health First Aid course — first responders, students, teachers, leaders of faith communities, human resources professionals, and caring citizens.

Sometimes, the best first aid is you.  
Take the course, save a life, strengthen  
your community.

**Mental Health First Aid**

**8:00 a.m. – 5:00 p.m. on May 26, 2017**

**TBT**

Cost of the class is \$100.00 and that includes a textbook, certification, and snacks.

See back for registration and contact information.
